American General	<p><b>Preferred Plus Non-Tobacco:</b> No tobacco for 5 years</p> <p><b>Preferred Non-Tobacco:</b> No tobacco for 3 years</p> <p><b>Standard Plus-</b> No tobacco for 2 years</p> <p><b>Standard Non-Tobacco:</b> No tobacco for 1 year</p>	<p>An occasional cigar smoker may qualify for AIG's best rating class if all other criteria are met. Underwriting is willing to consider the occasional cigar smoker under the following guidelines:</p> <ol style="list-style-type: none"> <li>1. Use must be admitted at the time of the application or inquiry and all case data must coincide with the admitted degree of usage</li> <li>2. No more than 1 cigar per month may be smoked</li> <li>3. No nicotine metabolites may be present in the urinalysis done for AIG or any other company within the past 12 months</li> <li>4. No use of tobacco products, other than occasional cigars, for at least 5 years prior to the time of application or inquiry</li> </ol> <p>If these guidelines are met, the cigar use will be considered a non-factor in the risk evaluation process. This will allow individuals to receive the best rating class if all other criteria are met.</p>

West Coast Life	<b>Super Preferred:</b> No nicotine for 5 years <b>Preferred:</b> No nicotine use of any kind for the last year	In order to qualify for non-nicotine use rates, the proposed insured must not have used tobacco or nicotine products in any form (gum, patches, cigars, etc.) within one year prior to the application. To qualify for Super Preferred, however, the time frame is 5 years, although up to six celebratory cigars per year may be forgiven. All current positive cotinine (nicotine) results will be treated as nicotine usage. The best class for nicotine usage is Standard. (Preferred Tobacco class is available on individual UL products)
